In case the fund-raising is undertaken through a QIP, in terms of applicable circulars of BSE and NSE in this regard as well as the SEBI ICDR

In terms of applicable circulars of BSE and NSE in this in this regard, in case it is difficult to quantify the exact amount of funds to be used, a broad range of amount may be provided in the preliminary placement document and the placement document, but the broad range shall be a realistic estimation and range gap shall not exceed +/- 10% of the amount specified for that object. Further, while giving broad range, the reason for providing the same shall be specified in such preliminary placement document/ placement document.

As per the Master Direction – Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021, as amended from time to time (“**RBI Master Directions – HFC**”) issued by the Reserve Bank of India, we are required to maintain a minimum capital adequacy ratio (“**CRAR**”), consisting of Tier I capital and Tier II capital, of not less than 15% of our aggregate risk weighted assets and risk adjusted value of off-balance sheet items with Tier-I capital not below 10% at any point of time. Further, we are required to ensure that total Tier-II capital, at any point of time, shall not exceed 100% of the Tier-I capital.

The following table sets forth our capital to risk weighted assets ratios for the periods indicated:

Particulars⁽¹⁾⁽²⁾	As on March 31, 2023	As on March 31, 2024	As on December 31, 2024
CRAR (%)	49.4%	39.5%	33.1%
CRAR – Tier I Capital (%)	48.9%	39.1%	32.7%
CRAR – Tier II Capital (%)	0.5%	0.4%	0.4%

- The above CRAR has been calculated in accordance with the RBI circular on Implementation of Indian Accounting Standards dated March 13, 2020.*
- CRAR is computed by dividing our Tier I and Tier II capital by total risk weighted assets, as at the last day of relevant fiscal year / period.*

While our Company’s CRAR as at March 31, 2023, March 31, 2024 and December 31, 2024 exceeds the regulatory thresholds prescribed by the RBI, we believe that in order to maintain our Company’s growth rate, we will require further capital in the future in order to remain in compliance with such regulatory thresholds and to meet future business requirements of our Company, including growth in our loan portfolio.

Further, our Company’s business is dependent on its ability to raise funds at competitive rates, which in turn, depends on various factors including our credit ratings. We expect the higher CRAR to positively impact the credit ratings of our Company, which may lower the borrowing costs, thereby positively impacting our interest margins and financial conditions.

Pending utilization of the proceeds from the Offering, the Company shall invest such proceeds in money market instruments including money market mutual funds, T-bills, deposits with scheduled commercial banks or any other investment as permitted under applicable laws and the Investment Policy of the Company as approved by the Board and/or a duly authorized committee(s), from time to time and all applicable laws and regulations. In case of a QIP, in accordance with applicable law, the Company shall not utilise the proceeds from such QIP unless allotment is made and the corresponding return of allotment is filed with the RoC and final listing and trading approvals are received from each of the Stock Exchanges.

Pricing: The pricing would be arrived at by the Board, depending on market conditions and in accordance with the SEBI ICDR Regulations, or other applicable laws. In the event of a QIP, pricing of the Equity Shares that may be issued to QIBs shall be freely determined, subject to such price not being less than floor price calculated in accordance with Chapter VI of the SEBI ICDR Regulations, provided that the Company may offer a discount not exceeding 5% of the floor price or such other permissible limit as may be specified under Chapter VI of the SEBI ICDR Regulations. Since the pricing and other terms of the QIP will be decided at a later stage, an enabling resolution is being proposed to give adequate flexibility and discretion to the Board or its duly authorised committee to finalize the terms of the Equity Shares that may be issued to the qualified institutions buyers in the QIP.

Change in control: There would be no change in control pursuant to the said issue of Equity Shares.

Intention of the Promoters, Directors, Key Managerial Personnel (KMP) or Senior Management: None of the promoters, directors or key managerial personnel, senior management intend to participate or subscribe to Equity Shares in the Issue.

Transferability of Securities: If the Issue is made through a QIP, the Equity Shares allotted shall not be eligible to be sold for a period of one year from the date of allotment, except on the recognized Stock Exchanges, or except as may be permitted under the SEBI ICDR Regulations from time to time.

Proposed time within which allotment shall be completed: If the Issue is made through a QIP, the allotment of such Equity Shares shall be completed within a period of 365 (three hundred and sixty five) days from the date of this resolution, or such other time as may be allowed under the SEBI ICDR Regulations from time to time.

Other material terms of the Issue: The Company is yet to identify the investor(s) and decide the quantum of Equity Shares to be issued to them. Hence, the details of the proposed allottees, post-Issue shareholding that may be held by them and other details are not available at this point of time and shall be disclosed by the Company under the applicable regulations in due course (at appropriate time and mode). Accordingly, it is proposed to authorize the Board to identify the investor(s), issue such number of Equity Shares, negotiate, finalize and execute such documents and agreements as may be required and do all such acts, deeds and things in this regard for and on behalf of the Company. As and when the Board (including Committee of Directors and Review Committee or any duly authorized committee thereof) takes a decision on matters on which it has the discretion, necessary disclosures will be made to the Stock Exchanges as may be required under the provisions of the SEBI Listing Regulations and to the Applicable Regulatory Authorities as necessary.

This enabling resolution seeks an approval from the Members to raise funds, at an appropriate time by the Board (including Committee of Directors and Review Committee or any duly authorized committee

thereof), keeping in view the business needs of the Company. Further, as the terms of the Issue are yet to be finalized, including timing, quantum of Equity Shares to be offered and issued and consequent dilution in the shareholding of the existing shareholders, the Company will seek relevant approvals and/or consents from Applicable Regulatory Authorities and/or Lenders, as applicable, at an appropriate stage prior to the transaction.

None of the Directors and Key Managerial Personnel of the Company or their relatives are, directly or indirectly concerned or interested, financially or otherwise, in this resolution, set out at Item No. 1 of the Notice of Postal Ballot, except to the extent of their shareholding, if any, in the Company.

This notice does not constitute an offer or invitation or solicitation of an offer of securities to the public within or outside India. Nothing in this notice constitutes an offer of securities for sale or solicitation in any jurisdiction in which such offer or solicitation is not authorized or where it is unlawful to do so.

The Board has approved the Issue pursuant to its resolution dated January 28, 2025. The Board recommends the Special Resolution as set out in the Notice under Item No.1 for the approval of the Members of the Company.
